Subject: Chat with Karen Lancaster
From: Karen Lancaster <lancaster.karen@gmail.com>
To: barriticus@gmail.com

Karen: Good morning, how are we today?
me: very good
Karen: did you sleep well?
me: yep indeed
Karen: You know, the only thing I don't like about the bio is your label of "hactivist". You have spent a lot of time differentiating that you are not a "hacker" - just worked with material already obtained.
